A Mother

A mother is someone to shelter and guide us,
To love us whatever we do,
With a warm understanding and infinite patience,
And wonderful gentleness, too.

How often a mother means swift reassurance
In soothing our small, childish fears,
How tenderly mothers watch over their children,
And treasure them all through the years!

The heart of a mother is full of forgiveness
For any mistake big or small,
And generous always in helping her family,
Whose needs she has placed above all.

A mother can utter a word of compassion
And make all our cares fall away,
She can brighten a home with the sound of her laughter,
And make life delightful and gay.

A mother possesses incredible wisdom,
And wonderful insight and skill
In each human heart is that one special corner
Which only a mother can fill.
