"Someone Like You"

I've been searching a long time
For someone exactly like you
I've been travelling all around the world
Waiting for you to come through

*Someone like you
Makes it all worth while
Someone like you
Keeps me satisfied
Someone exactly like you*

I've been travellin' a hard road
Lookin' for someone exactly like you
I've been carryin' my heavy load
Waiting for the light to come shining through

I've been doin' some soul searching
To find out where you're at
I've been up and down the highway
In all kinds of foreign lands

I've been all around the world
Marching to the beat of a different drum
But just lately I have realised
Baby the best is yet to come

*Someone exactly like you
Someone exactly like you
The best is yet to come
The best is yet to come
Someone exactly like you
Someone exactly like you*
