With Love We Remember

Ray Langmead
1929 - 2026

The Marathon Man

Your journey through decades on the trail to the dark night,

But not for your spirit and your soul that shine bright.

Thanks for your courage on this dedicated run,

Your will, your drive, companionship and fun.

Your Kathleen now with you, what a beautiful joint smile,

Alas you can stop running

Mile after mile.

Peace be with you Athlete Ray
